Dear Friends of Dave,

Please accept my heartfelt thank you on behalf of the Board of Directors, Volunteers and Clients for your generous donation to our program.

At this time of the year it is especially hard on food banks as donors are away on holidays or busy with summer living. Donations are always down in these months and I wanted you to know how much you have helped this food bank.

Harvest House serves 150 + people every week and many of those are children. We have no paid position, everyone is a volunteer. We have 20 -25 regular volunteers. We belong to the BC Section of the Canadian Association of food banks and we are a registered society. There are 8 members on the Board and the Board appoints a Co-Coordinator each year.

Harvest House purchases peanut butter, margarine, eggs, milk, chicken legs, and fresh fruit and vegetables to supplement the canned goods supplied. Along with donated and purchased canned goods, Harvest House purchases personal hygiene items and cleaning supplies.

Again, sincere thanks for your generosity. Your friend has every reason to be very proud of you all.

**Sincerely,
Lynn M. Morrison, Coordinator
