Dear Mr. Williams,

On behalf of the Victoria Hospitals Foundation's (VHF) Volunteer Board of Directors, we are delighted to receive this donation from the Davey Derby Foundation and we truly appreciate your generosity to our hospitals. Your gift will be used to help support the Neonatal Intensive Care Unit (NICU) at the Victoria General Hospital.

Each donation we receive brings us closer to ensuring our NICU remains state-of-the-art. Babies sometimes require specialized and innovative care and our hospitals need to stay on the leading edge of technology to meet this challenge. The generosity of the Davey Derby Foundation will help provide our medical teams with the best tools to do their work will make a significant difference to the 2,700 babies born each year at the Victoria General Hospital.

VHF is truly grateful for your Foundation's generosity, and your support will help give Vancouver Island children and their families the best possible care! From the many families and patients who will benefit from your gift, and the medical teams who are dedicated to health care, thank you for your generous donation.

I look forward to fishing the Davey Derby this summer, see you on the water.

Sincerely,

Marion Randell  
Major Gift Officer
