Thank-you SO much for your donation of \$500.00 to the "Take a Kid Fishing - Pink Salmon Festival".

Your support means so much, not just to these children who would not normally have the opportunity to go fishing, but if you could witness the faces of the parents, some, who actually break down and cry as they see their kids "beaming" with pleasure as a result of the fun day you make possible due to your generous support.

Thank-you, your committee and supporters who have made this donation possible!

Obviously the more "skippers" we can enlist to take these children out for the four (4) hours, the more children we can actually make happy, so if it is possible we would appreciate your placing a "SKIPPERS WANTED" request on your web site.

Please refer them to our web site www.pinksalmonfestival.ca for full particulars, or have them phone Don Lowen at 250 213-8582, or 250 388-4756, or myself at 250 884-8178.

Thank-you again for your support – it IS appreciated.
