January 5, 2010

Dear Friends at the Davey Derby.

Please accept the gratitude of the volunteers and recipients at our local food bank for your continued support. Your generous donation will help us to serve our communities needs.

Harvest House serves approximately 180 people per week with many of those being children. Our service area covers from Saltair to Crofton including Westholme, Thetis and Kuper Islands. We have 25 regular volunteers and a nine member Board of Directors. We are all volunteers with no paid staff. Volunteers work on Mondays, Thursdays and Fridays, as well as, do many duties outside the food bank.

Harvest house attempts to provide wholesome food, cleaning supplies and personal hygiene items each week. We depend on the generosity of our community members to continue our good works. Our volunteers also take part in fundraisers to help us out.

We are confident that Dave Nicholson would be most proud of the way you have chosen to honour his memory. Harvest House wishes you every success in this years derby! You are good people and he was fortunate to have you as his friends.

Thank you!

Sincerely,

Lynn M. Morrison,
