

Our baby son is named Jacob and he has serious medical and due to these problems we have to travel to Victoria and sometimes even Vancouver for his surgeries and appointments. We would like to thank Davey Derby for their generous donation for our sons' cause.

We held a fundraiser to raise money for a vehicle to take him to his surgeries and appointments in Victoria not that many people had shown up due to other events in the community so to get the Davey Derby's donation made it very worth while... thank you so very much to all the members and sponsors of the Davey Derby Fishing Club.

From the Gardner Family
